Happy Holidays!

As you prepare to host family and friends, save water and money with these water saving tips:

1. Buy recycled paper products: Products made from 100 percent recycled paper require much less water in their manufacturing than those made from virgin paper.
2. Inspect bathroom fixtures before family and friends arrive. During the holidays, your bathrooms are likely to experience heavier than normal usage and, in turn, are more prone to issues. A faulty toilet flapper can waste as much as 200 gallons per hour!
3. Cook food in as little water as possible. This will also help preserve the food's nutrients.
4. When washing your hands, turn the water off while you lather.
5. When planning your holiday meal, consider swapping a meat dish with a vegetarian one. It takes almost eighteen-hundred gallons of water to produce a single pound of beef.
6. Don't use water to thaw food. The safest and most water efficient way is to defrost food in the refrigerator.
7. Have an Energy Star approved dishwasher? Save water by running a full dishwasher rather than hand washing. Don't have an efficient dishwasher? Wash dishes in a partially filled sink and then rinse them using the spray attachment on your tap.
8. Leftover melted ice? Water your indoor plants with the excess water.
9. Instead of letting the faucet run to rinse vegetables, rinse them in a pan of clean water instead.

Did you know? If you were to skip meat one day a week, you'd conserve 65,000 gallons of water in a year.

We will have a "Huntwick Antiques Roadshow" - so dig into your cabinets and bring something old...maybe from your mother or grandmother (books, china, silver, paintings, dolls or other memorabilia)...and tells us about its' history. Tables will be set up to display the items. This will be our own version of Antiques Roadshow we've seen for years on PBS.

Mark your calendars...on December 12th, we'll have our Annual Christmas Coffee at the home of Carolyn Gross. We'll enjoy champagne punch, coffee, tea and homemade goodies brought by our very own members. This event is for Huntwick Women's Club members (and house-guests) only. An email will go out giving all of the details.

Thank you to the Ladies of the Huntwick Women's Club for modeling the beautiful new fashions provided by Chico's at the Annual Fashion Show on October 17th.
